

# 1 DAY DEFAULT SLA FOR NEW PRODUCT LISTING

---

- △ To ensure better conversion and good customer experience now SLA will be 1 day

# The 'shipping time in days' field will no longer be shown while product listing

The screenshot shows the Snapdeal product listing interface. The top navigation bar includes the Snapdeal logo, a 'QUALITY DEAL' badge, and links for Notifications, Announcements, Seller Help, and a user profile for 'fashion sports'. The main content area is divided into tabs: Category, Key Details (with a red notification badge), Images, Attributes, and Shipping & Pricing. The 'Key Details' tab is active, displaying various input fields for product information. A red box highlights the 'Shipping Time in Days' field, which contains the value '1'. A blue arrow points to this field. Other fields include MRP, Selling Price, Inventory, Height (cm), Width (cm), Length (cm), and Weight (g). At the bottom, there is a checkbox for 'Use wooden packaging?' with 'Yes' and 'No' options. A 'HELP' button is located in the bottom right corner.
